

CENTRAL NEW MEXICO AUDUBON SOCIETY--NEWSLETTER--SEPTEMBER, 1972

SEPTEMBER CALENDAR

Sept. 5
Wednesday

EXECUTIVE BOARD MEETING at the home of Dot De Lollis, 3600 Piermont Drive NE, at 7:30 p.m. Phone comments and suggestions to any officer prior to the meeting.

Sept. 9
Saturday

FIELD TRIP--JUAN TABO PICNIC AREA.
Meet at 7:00 a.m. for an early morning bird watchers' trip.

Sept. 16
Saturday

REGULAR MONTHLY MEETING at UNM Physics/Astronomy Building, 7:30 p.m. (Note change in monthly meeting date.) RALPH A. FISHER, JR., of Silver City, will speak on "Birds of the Southwest." Photography has been his lifelong hobby. In 1962 he acquired a telephoto lens and since then has been attempting to photograph every species of bird which visits the southwest area of New Mexico. (Some of the warblers still elude him.) He will present his slides in A. O. U. order for an hour-long program, after which refreshments will be served. For those who would like to stay longer, Mr. Fisher will then show some slides of various habitats of the southwest area.

Sept. 23/24
Sat/Sunday

FIELD TRIP--WATER CANYON CAMPGROUND.
Meet at campground at 10:00 a.m. How to get there: Take I-25 to Socorro. Turn west on US 60 toward Magdalena. Drive 15 miles. Turn south at Water Canyon Road. Continue 7 miles to the campground. Facilities for overnight camping are available. World-famed Longmuir Observatory is nearby.
